CLUB NIGHT BARBEQUE

TUESDAY 16 FEBRUARY 2010

Victoria Dock, Shed 3 – Docklands

You are invited to make a nautical start to 2010, as we enjoy a new destination for our opening outdoor Club Night and Barbeque at Victoria Dock, Docklands.

This will be an informal evening, and a fantastic way to begin 2010. The object of the evening is to socialise, refresh friendships after the break, make new ones and whet your appetites, not only for the delicious barbecue fare and refreshments on offer, but also for the exciting Club year ahead.

Alma Doepel under sail

You will then have the opportunity to view the restoration of the Alma Doepel at Victoria Dock. A guided tour of the restoration has been organised.

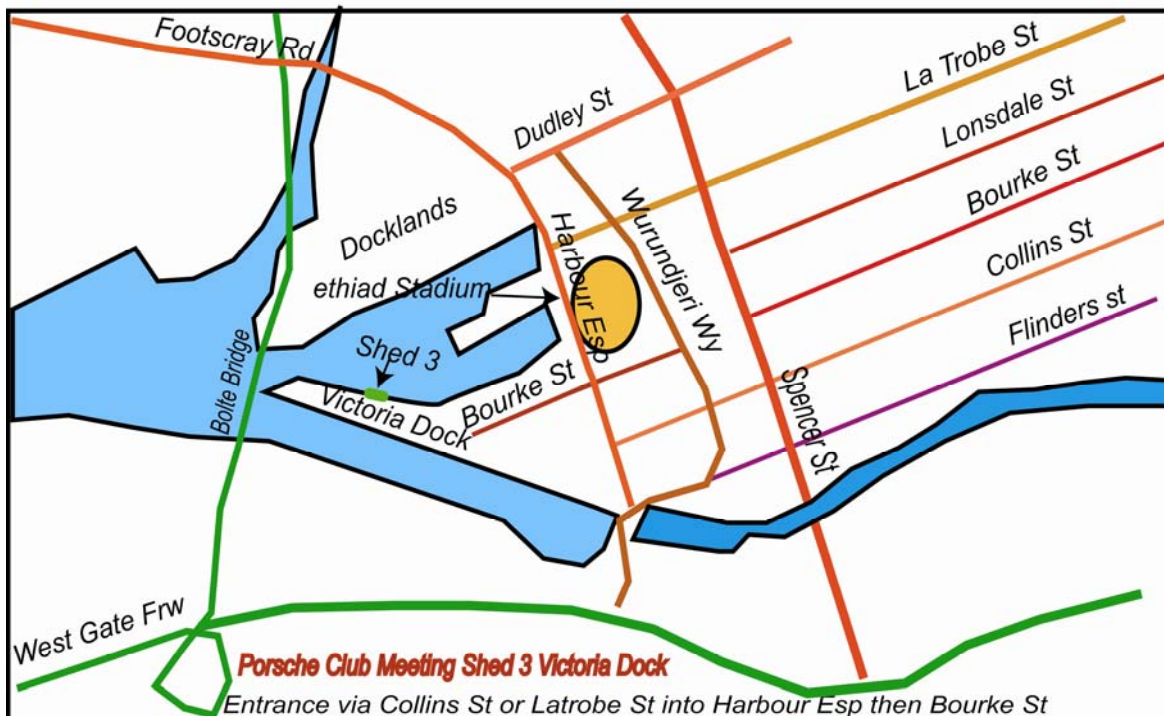

As Porsche owners who already possess a fine appreciation for the power and aerodynamic beauty of exquisite machines, take this opportunity to admire these qualities at another level.

We have exclusive use of the venue, there is ample parking for your toy next to where we will be having dinner and tables and seating will be provided for the barbecue (but we suggest you throw a collapsible chair in the car, just in case we get swamped).

It's one of the most central locations we could find and summer and daylight saving should combine to give us a long, balmy evening to enhance the experience.
