993 Register Tour of B24 Liberator Restoration Project

Werribee - Tues 8th December, 6pm to 8pm

OPEN TO ALL PCV MEMBERS -
BOOKINGS CLOSE FRIDAY.

BBQ dinner and conducted tour of the project. Hangar is located on the corner of Princes Hwy and Farm Rd in Werribee. (Melways ref 205 F10) \$38pp, includes donation to the Project.

This is the only remaining Liberator in the southern hemisphere, and is one of only eight still existent in the world. Australia operated 300 of these aircraft during WW2.

The project has been in operation since inaugural meetings in January 1989. The volunteers have acquired some 90% of the airframe and 70% of its furniture and fittings from many parts of the world, including 3 operating engines. Restoration is proceeding in one of the World War II hangars on the old Werribee airfield just outside Melbourne, and it is their intention that the airframe will be completely restored. The hangar is a fascinating mix of a major aircraft restoration workshop, archive and photo display and the focus of an interesting volunteer organisation.

Join us for a tour of the exhibits and hangar by Project Volunteers followed by a summer evening BBQ.

We look forward to seeing members of the
