PHILLIP ISLAND SPRINT - Sun 1st February

Entries are Open for the 1st competition event of the year.

All Competitors must remember to lodge their 2009 Vehicle Registration Form, to be eligible for points.

If you've already entered, please remember to check the Attendee List to make sure your entry has been received.

SPECIAL OFFER!

Are you a marshal who would also like a go in the entree class? Alternatively, are you an Entree Class driver who doesn't want a full day of track time?

For the discounted entry fee of \$127.00, you can have a half day in Entree Class and half day as Marshal. Note that your half day of Entree Class will be either morning or afternoon, with your marshaling at the other time of day. Should you choose this option, a manual entry form will need to be submitted, as the online entry doesn't allow for this special offer.
