REMINDER

CLUB NIGHT BBQ AT PT COOK - Tomorrow Tues 17th Feb

Don't miss the first Club Night of the year, being held at the Pt Cook RAAF Base.

In addition to the BBQ dinner, beverages and museum entry, we have confirmed that the Restoration Hangar will also be available to inspect with volunteer restorers in attendance. This area isn't usually open to the public and on our last visit three years ago our members enjoyed it immensely.

Remember to bring your membership card to show at the gate for entry.

BUSHFIRE APPEAL

The Porsche Club of Victoria is proud to have supported the Victorian Bushfire Appeal in a couple of ways already.

Yesterday attendees on the Summer Run dug into their pockets during the morning tea stop at Connewarre CFA to donate a total in excess of \$1,300 for the Bush Fire Appeal. This was in addition to the bigger than normal morning tea donation to the Connewarre Fire Brigade of \$500.

Also, Tas Vacations, the travel agent organising our Tassie Tour 2009, has advised the following:

"Please note that the Directors of TasVacations are supporting the Victorian Bushfire Appeal by donating all commissions received from the 2009 car clubs tours (including PCV 09). We have estimated that this would raise approx \$5000 so we have written a cheque for this amount and sent it to the Red Cross Victorian Bushfire Appeal.

*Cameron Brett
Managing Director"*

The Committee encourages all members to donate generously to this disaster appeal and to let the Committee know of any members affected.
