INVITATION TO PANAMERA LAUNCH

Porsche Cars Australia is offering PCV Members the opportunity to be among the first to see the Porsche Panamera in Melbourne. You are invited to farewell two of these latest models as they depart PCM on their promotional Round-Australia Tour, tracing some of the Redex Trial Stages travelled by the very first Porsche to come into Australia.

If you would like to join Porsche staff on this auspicious occasion on Tuesday 1st September between 9.30am - 10.00am, please let Carly know via return email by Friday 28th August, so we can ensure there is enough coffee to go around!
