Members Update

VALE RICHARD OLDHAM

It is with deep regret that we are informing members of the death on Sunday night of Richard Oldham.

"Sometimes the stress on one's body is too great"

This news may come as a surprise to many members, especially those who are aware of Richard's attendance at the AGM & Club Night last Tuesday.

Richard was an esteemed member of our Club, he was a former committee person, established the Club's Registers, acted as Club Secretary and helped organise many social and competition events.

On behalf of all members of the Club we send our condolences to June, Charles and Sophie and their extended family and friends.

Funeral arrangements will be advised to members when they have been finalised by the family.
